Anne – do we have an agenda for this meeting yet?

Stephanie – I will likely be out at the San Jacinto Site the week of 4/4 for sampling/inspection, and maybe the week before depending on the dive team's availability – should work out field work schedule next week if not before.

Thanks,

Hello Anne.

We have the meeting requested on San Jacinto set for April 5 (10:30 – 11:30 am).

There needs to be a prebriefing set up for Carl and Pam.

Will you and Gary figure out your schedules and let me know when a good time would be for you to do this prebriefing? (April 4 is a Monday, so maybe some time during the last week of March = March 28 OR March 31.)

Let me know when you have decided on something.
